AXIS Q6054 PTZ Dome Network Camera
Indoor PTZ with 30x zoom and focus recall

AXIS Q6054 is a top-of-the-line, indoor PTZ dome, offering fast and precise pan/tilt performance for wide area coverage and detailed surveillance at great distances. The focus recall feature offers instant focus in predefined areas, which is especially useful when using recorded guard tour. The high light sensitivity and day/night functionality ensure high image quality even in low-light conditions. Axis Zipstream technology reduces bandwidth and storage requirements. AXIS Q6054 offers shock detection, video motion detection, Active Gatekeeper, and electronic image stabilization that gives smoother video in environments with vibrations. It supports two-way audio, audio detection, I/O ports, and 24 V AC/DC power.
